Mayor's Message by Clark A. Wilkinson

Wow! What a strange last four months we have had with the pandemic, earthquakes, and protests. On June 17th, many residents joined me in a ZOOM conference where we discussed the city's standing concerning COVID-19, COVID operating hours for the city offices, grants being allocated by the state for businesses affected by COVID, The Hive development (and the efforts that are being made to find assistance for the residents who will be displaced), cemetery concerns and efforts, exciting progress on the new Island View Park, and "Concert in the Park-ing Lot" at CenterPoint

Legacy Theatre. Thank you to those who joined. It was good to hear from you and be able to address your questions and concerns. The meeting was recorded and can be found on YouTube.

We are excited about our July 4th celebration this year! The Fourth of July Committee has been stalwart as state and county COVID-19 requirements eliminated one traditional activity after another. I want to express my heartfelt appreciation to Councilman Bill Ince, along with Brian and Kim Curnow (as well as others from the surrounding communities) for their tireless efforts to help make this happen not only for our city, but the entire county! We are thrilled to present a truly unique event: "The Davis County Independence Day Air Parade." We encourage everyone to take an American flag to their front yards at 9:00 a.m. (please maintain social distancing) and join together as neighbors, as we invite all to recite the Pledge of Allegiance in celebration of this great country. Then, look up as we will be privileged to view a parade in the sky! Every 15 minutes or so, another specialized aircraft will fly overhead, concluding with a parachutist in each city. We anticipate this event to be covered by television and print media as this may be the best July 4th celebration in the state!

The new Island View Park in the southeast part of town will open at the end of June. New playground equipment and tennis and pickleball courts are some of the highlights. With additional fundraising, we hope to add more pickleball courts in other areas of the city in the future.

Mayor's Message Continued on Page 4

DAVIS COUNTY INDEPENDENCE DAY

AIR PARADE

Mt. Freedom Ring

YOUR CITY INVITES YOU TO

LOOK TO THE SKY ON THE 4TH OF JULY

FOR THE

2020 INDEPENDENCE DAY AIR PARADE

PARADE SCHEDULED TO BEGIN WITH FLIGHTS OVER NORTH DAVIS COUNTY AT APPROXIMATELY 9:00 A.M.
PARADE ENDS WITH SKY DIVERS IN EACH CITY.

Participants and order of events subject to change

4TH OF JULY

Unfortunately, Centerville City will not be hosting the traditional 4th of July celebration that we all love. See list of canceled activities below:

- Parade and Race
- Outdoor Festival
- Children's Parade
- Breakfast
- Fireworks
- Entertainment in the Park
- Art Exhibit
- Quilt Show

Audit Committee

Centerville City has an audit committee that reviews allegations of fraud, waste, or abuse within its operations. Allegations may be sent to auditcom@centervilleut.com. If you become aware or suspect something, feel free to email the Audit Committee with your allegation. Remember to provide specific details of your complaint such as the department, individual, date, contract, amount, facility, document(s), etc. Centerville City will protect the identity of complainants to the maximum extent allowed by law.

Summer Road Construction Info

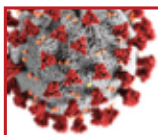

Centerville City has a few road projects that are currently under way or will be started soon. Expect road closures and detours. Check the City website for project information and updates.

- The two street rebuild projects located on 400 East - Parrish Lane to 100 South and Casa Loma Drive - Main Street to 325 East will continue through the summer. Currently the water lines are being installed. It is anticipated that the contractors will finish their part of the rebuild in mid-July allowing the street rebuilds to begin with the goal of completion being in August.
- A bike lane will be installed on South Frontage Road.
- Annual crack seal and slurry seal will be done in various locations throughout the City. Contractors will notify residents affected before work begins.

Live Meeting Streaming

Did you know that you can watch City Council and Planning Commission meetings live on YouTube? Centerville City has offered live streaming of meetings for a few years. This service has especially been beneficial over the past few months due to the restrictions caused by Covid-19, as it has allowed the city to continue to conduct city business when it has been most needed. More information on live streaming can be found on centervilleut.net.

STATUS OF CENTERVILLE CITY SERVICES AND EVENTS

Centerville City Hall is now open. We will be taking precautions at City Hall with limited access to certain areas and continued sanitation in common areas. We encourage residents to wear a mask when entering City Hall, stay at home if you are sick, and to continue practicing social distancing by keeping a six-foot distance from others in the building. If possible, please still use online services and call in for questions.

The Public Works building has added a window to serve residents regarding Public Works and Community Development. This window will be open from 8:00 a.m. to 5:00 p.m. Monday through Friday, although this is subject to change.

Our Police Department window will now be open from 8:00 a.m. to 2:00 p.m. Monday through Friday and will resume fingerprinting services on Wednesdays and Fridays from 8:00 a.m. to 12:00 p.m.

For now, our Court will remain closed until further notice.

We want to thank all of our residents for their patience and support during these hard times and look forward to seeing you again!

City Council and Planning Commission meetings will continue to be held electronically and streamed live on YouTube. For more information contact the City Recorder.

2019 Water Quality Report

Each year Centerville City is required to publish a Drinking Water Quality Report and make it available to all customers. It shows the test results for microbiological, inorganic and radioactive contaminants. Centerville's drinking water complies with all applicable standards. Testing for contaminants occurs on a regular basis - either daily, weekly, monthly, annually or every three years - depending on the substance. Our constant goal is to provide you with a safe and dependable supply of drinking water. We want you to understand the efforts we make to continually improve the water process and protect our water resources. We are committed to ensuring the quality of your water. The 2019 Annual Water Quality Report can be found at centervilleut.net/departments/public-works/

All new multi-sport courts will be fun for all ages at the remodeled Island View Park.

Island View Park Update

Centerville City and the Parks and Recreation Committee would like to thank the residents of Centerville for their patience as Island View Park has been renovated. We share your excitement about the upcoming completion of the new and improved park.

The park will feature several one-of-a-kind playground structures and multi-sport courts for all ages. The Parks and Recreation committee hopes to be able to hold a grand opening for the park in the fall, so keep an eye on city's social media pages and newsletters for future announcements. We are eager to see the fun and adventures that will take place in this amazing new part of our community!!

Kiddos will have a great time exploring the new features of the Island View Park playground.

The renovated Island View Park will feature unique playground structures.

Modern, new restrooms will provide conveniences for the patrons of the park.

City Code Reminder

Please remember that Centerville Municipal Code 11.01.130 states that it is unlawful to hamper pedestrian or vehicular traffic on the sidewalk, gutter, or within the street next to such premises. As we enjoy summer and its activities, we ask that all are mindful of not parking vehicles or piling yard waste on the sidewalks, to allow pedestrian traffic to stay safely on the sidewalks.

The Whitaker

The Whitaker Museum Community Gardens are planted and flourishing. The garden is a wonderful resource available to Centerville residents who wish to garden but do not have the means to do so. It provides over 35 garden plots that can be rented each season. For more information on next season's plots, contact the museum at whitaker@centervilleut.com.

You will notice that the Whitaker's landscaping is being installed. The museum committee, volunteers and staff would like to thank the Parks and Recreation Department for all their time and hard work in preparing the garden for this season and in beautifying the museum grounds.

A new activity is underway at the museum. We are working hard on the production of an outside audio tour. The audio tour will feature the voices of Centerville residents telling all who visit about Centerville, its treasures, resources, historical events and founding families. Look for the audio tour to be live by the end of August, maybe earlier. Visit the Whitaker page on the Centerville City website for updates.

The Whitaker Museum staff was saddened to cancel the first part of its annual 'Keeping Centerville Stories Alive' event. In an effort to continue to tell the stories of Centerville, Trent Packer of Packer Films is working on editing the videos of past story-telling nights for residents to view. Look for these stories to be posted in July on the Whitaker Museum web page, located on centervilleut.net. We invite all to watch and learn more about the history of events and people in Centerville.

The museum may be closed but come and see the changes, enjoy the quiet and find the cache.

Mayor's Message Continued from Front Page

I want to let you know of our Centerville Police Department's mission statement, which the chief and our officers take seriously: "To enhance the quality of life in our community by preventing crime, preserving peace, and securing a safe environment for all residents, businesses, and guests of Centerville. We will treat all people with dignity and respect. We will dedicate ourselves to integrity, professionalism, and the non-prejudicial delivery of Police Services throughout the community." I support them in this mission.

Keep your heads up, your faces covered and social distance, all the while knowing that these current challenges will pass. We are still the same city, filled with friendly, good neighbors. Janie and I are grateful to live here among you.

Remember, "Centerville Cares!"

Sincerely, Mayor Wilkinson

Fireworks Information and Restriction Map

The allowed days for discharging legal fireworks are from July 2nd – July 5th and from July 22nd – July 25th from 11:00 a.m. to 11:00 p.m. On July 4th and July 24th fireworks may be discharged until midnight.

Due to the extreme danger of wildland fires, Centerville City has prohibited the discharge of fireworks on the east bench. The Firework Restriction map shows this restricted area.

You may only use fireworks that are legally sold at retail stores in Utah that are designed for consumer use. These are labeled as “Class C Common” or sometimes marked “1.4G.” Any fireworks that have the designation “Class C Dangerous Explosives” are illegal.
